

English Department is offering an optional course to the students of year 4 for the school year of 2025/26:

English Speaking Countries

(UK, USA, Canada, Australia, New Zealand, Ireland, ...)

- Are you interested in knowing more about these countries? Do you want to get more ideas what to speak about at your final exam (maturita)? Do you like meeting and understanding different cultures?
- In this seminar we are going to study English speaking countries in detail; their geography, history, political systems, culture, places of interest, famous people and many other features.
- Students' assessment will be based on their active participation in the class, regular tests and presentations.
